Element Name: **Date Entered United States**

Definition/Domain

The month, day, and year on which the student entered the United States (any of the 50 states, excluding U.S. territories and possessions).

This element is required for all students with affirmative responses to the Home Language Survey and who are coded LY, LF, LP or LZ on the element English Language Learners, PK-12

Examples

MMDDYYYY	09182006	Student entered the United States on September 18, 2006.
	00000000	Not applicable. Student is not one for whom this data is required or student did not enter the United States from elsewhere.
	99999999	Date not available. Student entered a Florida public school prior to July 1, 2006.
→	88888888	The student's parent/guardian declined to provide this information.

Note: It is recommended that this information be collected via the registration form completed by students when enrolling in a public school for students with affirmative responses to the Home Language Survey or whose country of birth is other than the United States (any of the 50 states). This data element is required for students enrolling July 1, 2006 or after.

Length: 8

Format: Numeric

Compatibility Requirement: Compatible
