Florida Department of Education **Statewide Articulation Agreement** Industry Certification to AAS/AS Degree Program AAS/AS Degree Name: Networking Services Technology CIP Number(s): AAS: 0511090103* AS: 1511090103* **Industry Certification:** Cisco Certified Network Associate (CCNA®) Code: CISCO004 **College Credit:** This Gold Standard Career Pathways Statewide Articulation Agreement guarantees the minimum award of course credits or a block of credit toward the above AAS/AS program is <u>12</u> hours of credit. This agreement does not preclude the awarding of additional credits by any college through local agreements. Validation Mechanism: To be eligible for articulation, the student must show evidence of their current Cisco Certified Network Associate (CCNA®) certification and it must have been issued within three (3) years prior to their enrollment in the program. Rationale/Justification: The Cisco Certified Network Associate (CCNA®) certification represents industry acknowledgement of technical skill attainment of competencies in the Networking Services Technology program. Applicability: State college administrators (statewide) were consulted and agreed that the Cisco Certified Network Associate (CCNA®)" shall articulate twelve (12) college credit hours to the AAS/AS Degree in Networking Services Technology. Articulated credit awarded under this agreement may only be applied to the above AAS/AS Degree and the following College Completion Certificate (CCC) programs: Information Technology Management (0511010304), Information Technology Technician (0511010303), and Unix/Linux System Administrator (0511090106). Date Submitted to SBE **ACC Recommendation SBE Status Date Presented to ACC**

Statewide Articulation Agreement Industry Certification to AAS/AS Degree Program

AAS/AS Degree Name:	Computer Engineering Technology			
CIP Number(s):	AAS:	0615120100*	AS:	1615120100*
Industry Certification:	Cisco Certified Network Professional Code: CISCO005			CISCO005
College Credit:	guaran the abo	old Standard Career Pathways Statewide Antees the minimum award of course credits of ove AAS/AS program is <u>12</u> hours of credit de the awarding of additional credits by any ments.	or a block o t. This agro	of credit toward eement does not

Validation Mechanism:

To be eligible for articulation, the student must show evidence of their Cisco Certified Network Professional certification and it must have been issued within three (3) years prior to their enrollment in the program.

Rationale/Justification:

The Cisco Certified Network Professional certification represents industry acknowledgement of technical skill attainment of competencies in the Computer Engineering Technology program.

Applicability:

State college administrators (statewide) were consulted and agreed that the "<u>Cisco Certified Network</u> <u>Professional</u>" shall articulate <u>twelve (12)</u> college credit hours to the AAS/AS Degree in <u>Computer</u> <u>Engineering Technology</u>.

Articulated credit awarded under this agreement may only be applied to the above AAS/AS Degree and the following College Credit Certificate (CCC) programs: Cisco Certified Network Associate (0611020301), Computer Specialist (0611100604), Microcomputer Repairer/Installer (0647010406), Network Systems Developer (0611090104), and Wireless and IP Communications Technician (0615030505).
