AUTHORS & CREDENTIALS: LIST FULL NAME OF AUTHOR(S), WITH MAJOR OR SENIOR AUTHOR LISTED FIRST. BRIEFLY PROVIDE CREDENTIALS FOR EACH AUTHOR.

Pearson's World History program is written by two authors who value all perspectives on the global experience. They have crafted a story of the history of the world that is free from bias and includes diverse viewpoints of the individuals and groups that have contributed to world history. The text reflects the latest research on topics in world history and has been carefully fact checked for accuracy. Pearson and our authors are committed to providing teachers and students with high-quality, factually accurate, balanced materials to enhance their teaching and learning. ELISABETH GAYNOR ELLIS holds a B.S. from Smith College, an M.A. in Teaching of History from Teachers College, Columbia University and a degree in Library Science from Columbia University. Ms. Ellis taught World Cultures, European History, and Russian Studies in Ardsley, New York. Ms. Ellis co-authored several Prentice Hall textbooks, including *World History: Connections to Today*, and *World History: The Modern Era* with Dr. Anthony Esler. Ms. Ellis has also written other social studies materials, including works on America's holidays, individual state histories and a variety of Teacher's Edition materials. Anthony Esler is Professor of History, Emeritus at the College of William and Mary. He earned his A.B. from the University of Arizona and his M.A. and Ph.D from Duke University. His publications include several studies of the conflict of generations in world history, half a dozen historical novels, including *For Love of a Pirate, Bombs, Beards, and Barricades*, and surveys of world and Western history including the two-volume *The Human Venture*. Dr. Esler specializes in European intellectual history. He is a member of the American Historical Association, the World History Association, and the Authors Guild. He has received Fulbright, Social Science Research Council, and many other research grants. Dr. Esler is listed in the Directory of American Scholars, the Directory of Poets and Fiction Writers, and Who's Who in America. Dr. Esler is the curator of a collection of over 200 historical documents comprising the Anthony Ester Papers, an archive of Vietnam War sources in the Special Collections Research Center at the Earl Gregg Swem Library at the College of William and Mary. The collection comprises dissent and protest documents including notes, flyers, syllabi, buttons, and national, university and underground newspaper articles concerning student and youth revolts of the 1960s and 1970s.

STUDENTS: DESCRIBE THE TYPE(S) OF STUDENTS FOR WHICH THIS SUBMISSION IS INTENDED.

Grade 9-12 students

1. LIST THE FLORIDA DISTRICTS IN WHICH THIS PROGRAM HAS BEEN PILOTED IN THE LAST EIGHTEEN MONTHS.

5. IDENTIFY WHICH INDUSTRY STANDARD PROTOCOLS ARE UTILIZED FOR INTEROPERABILITY?

Pearson World History's digital course and eText can be accessed on Realize. Realize is a browser-based application and accessing Realize with supported browsers when those browsers are running on non-supported operating systems will often result in an equally efficient user experience. By designating official supported operating systems and browsers, Pearson is able to ensure an optimal user experience, and identify the ones we will support with enhancements and defect remediation. However, the supported operating systems and browsers are not exclusive and Realize will operate on other combinations of operating systems and browsers. Please see System Requirements attached at the end of this document.

6. HOW MUCH INSTRUCTIONAL TIME IS NEEDED FOR THE SUCCESSFUL IMPLEMENTATION OF THIS PROGRAM?

Identify and explain the suggested instructional time for this submission. If a series, state the suggested time for each level. The goal is to determine whether the amount of content is suitable to the length of the course for which it is submitted.

This course has been designed so that it can be taught during a year-long course with 45-50 minute classes or during a one semester course in a block schedule.

7. WHAT PROFESSIONAL DEVELOPMENT IS AVAILABLE?

Describe the ongoing learning opportunities available to teachers and other education personnel that will be delivered through their schools and districts as well as the training/in-service available directly from the publisher for successful implementation of the program. Also provide details of the type of training/in-service available and how it may be obtained. (The information provided here will be used in the instructional materials catalog in the case of adoption of the program.)

Face-to-face activation training will be provided based on the plan Pearson develops with the district for implementation. Activation will include specific training on the Realize platform and all associated resources within the program to ensure teachers understand the program philosophy, structure, standards coverage, assessments, and reporting functionalities. In addition, there are a variety of digital/virtual training options in place teachers can access at any time. The "Welcome to the Course"

folder within each program on the Realize platform contains Differentiated Instruction lesson plans, an interactive walkthrough on how to teach and use the course, and videos on various classroom strategies. In addition, professional development online tutorials and pre-recorded webinars are also available 24/7 for access anytime at www.mypearsontraining.com. Districts are also able to schedule additional live webinars throughout the lifetime of the adoption for more specific training based on their individual needs. Pearson is also available to work with the district to develop a professional development plan for this program.

8. WHAT HARDWARE/EQUIPMENT IS REQUIRED? List and describe the hardware/equipment needed to implement the submission in the classroom. REMEMBER: Florida law does not allow hardware/equipment to be included on the bid! However, schools and districts must be made aware of the hardware/equipment needed to fully implement this program.

The digital course and eText for this program are fully accessible using any computer, tablet, or mobile device (IOS or Android).

9. WHAT LICENSING POLICIES AND/OR AGREEMENTS APPLY? If software is being submitted, please attach a copy of the company's licensing policies and/or agreements.

Terms of Use (see attached)

10. WHAT STATES HAVE ADOPTED THE SUBMISSION? List some of the states in which this submission is currently adopted.

Not applicable.

11. WHAT OPEN EDUCATIONAL RESOURCES RELATED TO THIS BID DO YOU MAKE AVAILABLE(S)? List and describe each of the components, including a format description. (Open Educational Resources (OER) are high-quality, openly licensed, online educational materials that offer an extraordinary opportunity for people everywhere to share, use, and reuse knowledge.)

Pearson's Realize platform allows teachers to search Gooru to access to open educational resources. These resources from Gooru can be added seamlessly to the teacher's own Realize course and assigned to/shared with students within the Realize platform. The Realize platform also allows teachers to upload their own content and add it to their lesson and assign it to students.
