Dear AAA SCHOLARSHIP FOUNDATION INC:

We issued you a determination letter in SEPTEMBER 2010, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(03).

Our records also indicate you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If a return is required, you must file Form 990, 990-EZ, 990-N, or 990-PF by the 15th day of the fifth month after the end of your annual accounting period. IRC Section 6033(j) provides that, if you don't file a required annual information return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

For tax forms, instructions, and publications, visit [www.irs.gov](http://www.irs.gov) or call 1-800-TAX-FORM (1-800-829-3676).

### **A description of how funds are segregated and tracked**

Companies owing certain taxes to the state of Florida may participate in the Florida Tax Credit Scholarship Program. Once a company decides to participate in the program, they apply directly with the Florida Department of Revenue ("FL DOR"). The FL DOR processes the application and, if approved, notifies the company and the selected Scholarship Funding Organization of the approval.

Upon notification, AAA prepares an "invoice" within its accounting system and categorizes (i.e. tracks) it with a code to signify that the contribution is restricted to the Florida Tax Credit Scholarship Program. AAA provides the invoice to the company and the company remits the funds by the deadline stated on the FL DOR approval notice.

AAA receives the remittance and deposits it into a segregated bank account set-up specifically to receive Florida Tax Credit Scholarship remittances as required under f.s. 1002.395(6)(k). The remittance is applied to the invoice within the accounting system using the same tracking code.

Four times during the school year, scholarship disbursements are processed within AAA's accounting system and each Florida Tax Credit Scholarship disbursement is categorized with the same tracking code. A separate warrant is printed for each eligible/verified student from the segregated Florida Tax Credit Scholarship bank account.

Administrative expenses (that have been approved) are entered into the accounting system and categorized with an appropriate tracking code. Those expenses are paid from a segregated bank account set-up specifically for operating funds as required under f.s. 1002.395(6)(k).

Paid administrative expenses that have been categorized as attributable to the management and distribution of eligible Florida Tax Credit Scholarship program contributions under f.s. 1002.395 and deemed to meet the limitations and requirements of f.s. 1002.395 (j)(1) are subsequently reimbursed from the Florida Tax Credit Scholarship account to the segregated operating account periodically.

The procedures described above are audited annually by the Florida Auditor General during the statutorily required operational audit and an independent Certified Public Accountant during the statutorily required financial audit.

**A description of the geographic region that the organization intends to serve and an analysis of the demand and unmet need for eligible students in that area.**

AAA Scholarship Foundation – FL, LLC serves the children of low-income families throughout the state of Florida. Low-income is defined by AAA as household incomes up to 250 percent of the federal poverty threshold.

The United States Census Bureau estimates Florida’s July 2017 population at just under 21 million people with 14.7 percent of them living below the federal poverty threshold.<sup>1</sup> For 2017, the federal poverty threshold was \$24,858 for a family of two adults and two children under age 18.<sup>2</sup>

According to the National Center for Children in Poverty, in 2015 there were 2,036,196 Florida families with 3,978,689 children; approximately 23 percent of those children live in families with incomes below the federal poverty threshold.<sup>3</sup>

Below is a breakdown of the 2016 Florida household income demographics for Florida’s children as published by Kids Count, a project of the Annie E. Casey Foundation:

- 2,314,000 children are at or below 250 percent of the federal poverty threshold<sup>4</sup>
- 1,899,000 children are at or below 200 percent of the federal poverty threshold<sup>5</sup>
- 1,437,000 children are at or below 150 percent of the federal poverty threshold<sup>6</sup>
- 859,000 children are at or below 100 percent of the federal poverty threshold<sup>7</sup>

The Florida Department of Education’s 2017-18 Annual Report on Private Schools<sup>8</sup> states that of the 3,203,281 statewide total PK-12 student enrollment in the 2017-2018 school year, 2,833,115 (88.4 percent) were public school students, and 370,166 (11.6 percent) were private school students attending 2,650 private schools.

The Florida Department of Education’s February 2018 FTC Quarterly Report<sup>9</sup> notes that 107,095 students used the Florida Tax Credit (FTC) Scholarship to assist them in paying for tuition, books and fees at 1,801 eligible private schools during the 2017-2018 school year.

Adjusting for Pre-K students who are not eligible for FTC scholarships, we calculate that 324,837 private school seats were available to students in grades K – 12 ( $370,166 - 45,329 = 324,837$ ).

Assuming an even distribution of students across all Florida private schools, we calculate an average of 122.6 K – 12 seats available per private school ( $324,837 / 2,650 = 122.6$ ).

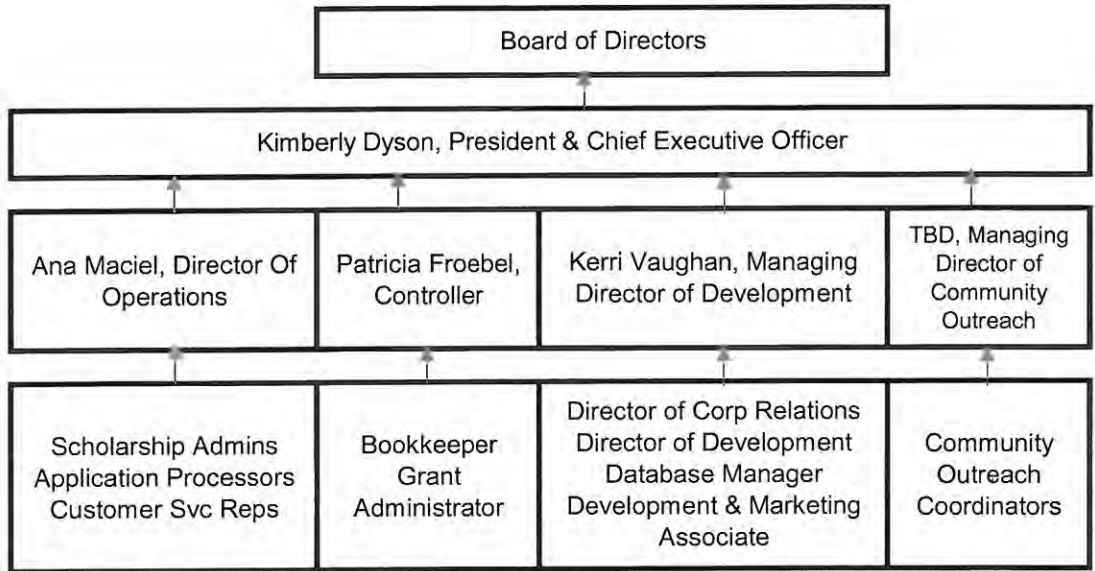

Extrapolating that average to the 1,801 eligible private schools already accepting the FTC scholarships results in 220,803 seats potentially available for FTC scholarship students ( $1,801 \times 122.6 = 220,803$ ).

Knowing that over 2.3 million Florida children are in households earning at or below 250 percent of the federal poverty threshold, it is reasonable to deduce that there may be at least an additional 113,708 eligible students for whom a seat in an eligible private school would be available and who subsequently represent the current demand and unmet need for eligible students in Florida ( $220,803 - 107,095 = 113,708$ ).

Florida Scholarship Funding Organization  
 Annual Application - Attachment F  
 For the Fiscal Year Ended 6/30/20

**A description of the criteria and methodology that the organization will use to evaluate scholarship eligibility**

In order to qualify for an AAA scholarship, families must provide support for the following requirements:

1. The student's household income is at or below 250 percent of the federal poverty level
  - a. AAA follows the guidelines provided by the National School Lunch Program's USDA Eligibility Manual for School Meals to determine the specific types of income to be included in determining eligibility.
    - i. Income documentation may include, but is not limited to, copies of the signed federal income tax return as filed with the IRS with all supporting schedules, IRS Transcript, year-end award letters/statements for any and all income sources including Cash Assistance (TANF), Food Stamps (SNAP), Social Security Income, Housing Assistance (Section 8, HUD, etc), Workers Compensation, Disability or Retirement, Forms W-2 or 1099.
  - b. AAA uses the guidelines provided by the National School Lunch Program's USDA Eligibility Manual for School Meals to determine household composition.
    - i. Household composition is based on economic units. An economic unit is a group of related or unrelated individuals who are not residents of an institution or boarding house but who are living as one economic unit, and who share housing and/or significant income and expenses of its members. Generally, individuals residing in the same house are an economic unit.
2. The student is currently placed, or during the previous state fiscal year was placed, in foster care or in out-of-home care as defined in s. 39.01
  - a. Documentation from the state of Florida that validates that the child meets the definition of s. 39.01(29) or (48) and specifies the amount of support provided by the state for the benefit of the child.
3. The student is a sibling of an eligible student who is participating in the scholarship program and resides in the same household as the sibling.
4. Resident of Florida
  - a. AAA requires written documentation that an applicant is a resident of Florida.
  - b. Documentation may include tax returns, utility bills, leases, etc.
5. Age Requirement
  - a. AAA requires birth certificates for all children to determine whether they meet the requirement that children must be 5 years old as of September 1.

**A description of the application process, including deadlines and any associated fees.**

In order to prove their eligibility, Florida households must annually complete AAA's application and provide required supporting documentation (see next page). There is no application fee for Florida applicants.

Paper applications are mailed to renewing families in February. Online applications are available on the AAA website (<http://www.aaascholarships.org/parents/florida/>) to renewing families in early-March. Both online and paper applications are available to the public in mid-March. (See a copy of the 2018-2019 school year application attached).

Application submission deadlines are determined based on scholarship demand and projected funding. The current deadline for the 2018-2019 school year application is August 31, 2018 – except for students in foster care, out-of-home care or a dependent child of a parent who is a member of the United States Armed Forces, who are allowed to apply for a scholarship at any time.

Processing of applications is typically completed within ten to twelve weeks once ALL required documentation has been received. Parents can check the status of their application by clicking on the "Check the Status of your Application" link on the AAA website (<http://www.aaascholarships.org/parents/florida/>).

Once applications are in the "Completed" status, a determination letter is mailed to the mailing address that was listed on the application within two - four weeks. Households that are determined eligible AND have received funding for the upcoming school year will receive 1) a Scholarship Award Letter and 2) a School Commitment Form (SCF) in the mail directly from AAA. Those who are determined ineligible will receive a denial letter in the mail directly from AAA.

The use of a scholarship cannot be postponed. The household must find an eligible private school for their student(s) as soon as they receive a scholarship award letter and SCF. Failure to meet the deadline stated on the SCF will result in the forfeiture of the awarded scholarship. Households should make a copy of the blank SCF before taking it to an eligible private school in case they decide to transfer to a different eligible private school later in the year. By completing the school enrollment form, both the parents and the schools agree to abide by the terms of the AAA Parent/School Handbooks.

Schools should not accept any students without an SCF unless the household: 1) is willing to self-pay their tuition and fees until they are awarded a scholarship and 2) will self-pay if they are not. If a household receives a SCF in error or their eligibility is revoked, the private school that has enrolled the student will be notified as soon as possible. By accepting the scholarship student(s) and scholarship payment(s) the private school agrees to repay any incorrectly made or overpayment of funds on behalf of the student(s), regardless of the reason. Households that document eligibility but are placed on a waitlist do not have a scholarship unless they receive a Scholarship Award Letter and SCF at a later date.

### **Scholarship Values**

The maximum value of an awarded scholarship is determined by the state. In an effort to ensure that the neediest families receive the most help, income-based scholarships are based on the following sliding scale for Florida:

- 100% scholarship for families with incomes below 200 percent of poverty
- 88% scholarship for families with incomes of between 200 and 214.9 percent of poverty
- 74% scholarship for families with incomes of between 215 and 229.9 percent of poverty
- 60% scholarship for families with incomes of between 230 and 244.9 percent of poverty
- 50% scholarship for families with incomes of between 245 and 250 percent of poverty

### **Required Documentation (as applicable):**

- Signed and completed application; and
- Documentation of each household member's income including but not limited to:
  - Copies of the signed federal income tax return as filed with the IRS with all supporting schedules,
  - IRS Transcript,
  - Year-End award letters/statements for any and all income sources including Cash Assistance (TANF), Food Stamps (SNAP), Social Security Income, Housing Assistance (Section 8, HUD, etc.), Workers Compensation, Disability or Retirement,
  - Forms W-2 or 1099;
- Birth Certificates for participating students;
- Documentation verifying legal guardianship;
- Documentation verifying a separated parent/guardian address;
- Documentation verifying placement in foster care or out-of-home care;
- Documentation verifying a parent's membership of the United States Armed Forces;
- A letter explaining a "special circumstance" if the family's documented income does not reflect the income that will be available during the school year; and
- Additional documentation as requested.

**A description of the deadlines for attendance verification and scholarship payments.**

Once a household is determined eligible, they are provided with an award letter and school enrollment form for each scholarship student. The parent or guardian takes the award letter and school enrollment form to the eligible school of their choice and enrolls their student(s). The school returns the completed school enrollment form to AAA certifying that the student has accepted the scholarship and enrolled in an eligible private school.

Four times during the school year, AAA sends the school a verification form to ascertain whether the student remains enrolled, is attending the school regularly and is current on any funds personally owed to the school. Below is the calendar for the verification and scholarship payments for the 2018-2019 school year:

1. 1st Distribution
  - a. Friday September 14, 2018 Verification Reports Sent
  - b. Thursday September 20, 2018 Verification Reports Due
  - c. Tuesday September 25, 2018 Checks Mailed
2. 2nd Distribution
  - a. Friday November 2, 2018 Verification Reports Sent
  - b. Thursday November 8, 2018 Verification Reports Due
  - c. Tuesday November 13, 2018 Checks Mailed
3. 3rd Distribution
  - a. Monday February 15, 2019 Verification Reports Sent
  - b. Friday February 21, 2019 Verification Reports Due
  - c. Wednesday February 26, 2019 Checks Mailed
4. 4th Distribution
  - a. Friday May 3, 2019 Verification Reports Sent
  - b. Thursday May 9, 2019 Verification Reports Due
  - c. Tuesday May 14, 2019 Checks Mailed

Once the verification report is received back, AAA scans it for any circumstances that would prohibit the disbursement of an award. If there are none noted, AAA disburses one quarter of the scholarship award in the form of a check made payable to the parent/guardian but for deposit only by the school. The parent/guardian must restrictively endorse the check over to the school before it can be deposited.

If the school is not meeting the needs of the scholarship student, the parent/guardian may transfer the student and the student's scholarship to a different eligible private school at any time.

## Conflicts of Interest Policy

### Article I Purpose

The purpose of the conflict of interest policy is to protect AAA Scholarship Foundation's (the "Organization") interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Organization or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

### Article II Definitions

#### 1. Interested Person

Any director, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

#### 2. Financial Interest

A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

- a. An ownership or investment interest in any entity with which the Organization has a transaction or arrangement,
- b. A compensation arrangement with the Organization or with any entity or individual with which the Organization has a transaction or arrangement, or
- c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Organization is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

### Article III Procedures

#### 1. Duty to Disclose

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.

#### 2. Determining Whether a Conflict of Interest Exists

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

#### 3. Procedures for Addressing the Conflict of Interest

- a. An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
- b. The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- c. After exercising due diligence, the governing board or committee shall determine whether the Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the

disinterested directors whether the transaction or arrangement is in the Organization's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

### **4. Violations of the Conflicts of Interest Policy**

- a. If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

### **Article IV Records of Proceedings**

The minutes of the governing board and all committees with board delegated powers shall contain:

- a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing board's or committee's decision as to whether a conflict of interest in fact existed.
- b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

### **Article V Compensation**

- a. A voting member of the governing board who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.
- b. A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.
- c. No voting member of the governing board or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization, either individually or collectively, is prohibited from providing information to any committee regarding compensation.

### **Article VI Annual Statements**

Each director, principal officer and member of a committee with governing board delegated powers shall annually sign a statement which affirms such person:

- a. Has received a copy of the conflicts of interest policy,
- b. Has read and understands the policy,
- c. Has agreed to comply with the policy, and
- d. Understands the Organization is charitable and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

### **Article VII Periodic Reviews**

To ensure the Organization operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.
- b. Whether partnerships, joint ventures, and arrangements with management organizations conform to the Organization's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

### **Article VIII Use of Outside Experts**

When conducting the periodic reviews as provided for in Article VII, the Organization may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the governing board of its responsibility for ensuring periodic reviews are conducted.

Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

In order to prove their eligibility, households must complete AAA's application and provide supporting documentation by the stated deadline.

The household must meet both the state and AAA's requirements in order to be determined eligible.

Once processing of an application is complete, a determination letter is mailed to the address on file. Those who are determined eligible will receive a scholarship award letter. Those determined ineligible will receive a denial letter. The use of a scholarship cannot be postponed.

If the household is using the scholarship for eligible expenses related to a private school, they must enroll the student into an eligible private school as soon as they receive a scholarship award letter.

Four times during the school year, AAA sends the school a verification form to ascertain whether the student remains enrolled and is current on any funds personally owed to the school. If the verification report is returned to AAA by the deadline, AAA then disburses one quarter of the scholarship award in the form of a check mailed directly to the school. The parent/guardian must restrictively endorse the check over to the school before it can be deposited.

If the scholarship is being used for education-related expenses for a student who is disabled and being home-schooled, the parent/guardian must submit a written request for payment (including supporting documents) for approval before a scholarship payment is disbursed.

**AAA Scholarship Foundation, Inc.****27-2559468****Form 990 - Organization's Mission**

The AAA Scholarship Foundation, Inc. ("AAA") is a Georgia not-for-profit organization incorporated March 26, 2010 with the mission of ensuring economically-disadvantaged families have equal access to the customized learning options they need to effectively educate their children. In May 2014, the mission was expanded to include families of children with disabilities.

AAA believes that educational option programs spur improvements by removing many of the financial barriers parents face as they seek the best education for their children.

During the 2017-18 fiscal year, AAA was an approved Scholarship Organization (SO) in Georgia, Arizona, Pennsylvania, Alabama, Florida and Nevada.

As an SO, AAA may receive re-directed taxes from individual and corporate taxpayers. These re-directed funds are then distributed to qualified students in the form of scholarships so they may access the educational environments that best fit their learning needs.

## INDEPENDENT CERTIFIED PUBLIC ACCOUNTANT'S REPORT

To the Board of Directors of  
AAA Scholarship Foundation, Inc.

We have audited the accompanying financial statements of AAA Scholarship Foundation, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AAA Scholarship Foundation, Inc. as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Prior Period Adjustment**

As discussed in Note P to the financial statements, unrestricted interest earned on contributions of \$8,240 was incorrectly recorded as temporarily restricted for the year ending June 30, 2017. Accordingly, unrestricted net assets and temporarily restricted net assets at June 30, 2017 were restated to reflect the correction of this error. Our opinion on the fiscal year ending June 30, 2017 is not modified with respect to this matter.

**Other Matters – Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of state financial assistance as required by the State of Florida Chapter 10.650, *Rules of the Auditor General*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated October 30, 2018, on our consideration of AAA Scholarship Foundation Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering AAA Scholarship Foundation Inc.'s internal control over financial reporting and compliance.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

1. Organization

The AAA Scholarship Foundation, Inc. ("AAA") is a Georgia not-for-profit organization incorporated March 26, 2010 with the mission of ensuring economically disadvantaged families and families of children with disabilities have equal access to the customized K-12 learning options they need to effectively educate their children. AAA believes that educational option programs spur improvements by equipping parents with the tools to seek the best education for their children. AAA's primary focus is in providing learning options for children from low-income and working class families and for children with disabilities.

AAA Scholarship Foundation – FL, LLC ("AAA-FL") is a wholly-owned subsidiary of AAA that commenced operation in December 2013.

AAA is an approved Scholarship Organization (SO) in Georgia, Arizona, Pennsylvania, Alabama and Nevada. AAA-FL is an approved SO in Florida. As an SO, AAA and AAA-FL (together, referred to as "AAA") may receive re-directed taxes from taxpayers which are then distributed to qualified students in the form of scholarships so they may attend the qualified private school of their parent's choice. Below are tables summarizing the seven state tax credit programs administered by AAA during the 12 months ended June 30, 2018:

AAA voluntarily relinquished its status as an (SO) in Pennsylvania and Alabama effective July 1, 2018.

In addition, AAA is an approved administrator of the Florida Gardiner Scholarship Program (formerly known as the Florida Personal Learning Account or PLSA). The Florida Gardiner Scholarship Program was established in 2014 to provide parents the option to better meet the individual needs of their eligible children. Parents of eligible Florida children may use the accounts to purchase approved education related goods or services. The Gardiner Scholarship Program is funded by a direct appropriation from the Legislature, with the money disbursed to the various scholarship organizations based on the scholarship amounts awarded to each of its approved students. For the 2017-18 fiscal year, the state appropriation for the Florida Gardiner Scholarship Program was \$74.236 million.

## 2. Basis of Presentation

The financial statements of AAA have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. The Organization is required to

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of AAA and/or the passage of time. When a restriction is met or expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that may be maintained permanently by AAA. AAA does not currently have permanently restricted net assets.

### 3. Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. AAA has not received any contributions with donor-imposed restrictions that would result in permanently restricted net assets.

Contributions of donated noncash assets are recorded at their fair values in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received. AAA recognized donated goods of \$9,676 during the 12 months ended June 30, 2018, and no donated goods during the 12 months ended June 30, 2017.

### 4. Cash and Cash Equivalents

AAA considers currency held in demand deposits with financial institutions to be cash and cash equivalents. AAA maintains its cash accounts at a commercial institution. Such amounts on deposit are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per account. At June 30, 2018 and 2017, cash on deposit at a commercial bank exceeded the \$250,000 FDIC limit by \$7,865,017 and \$5,146,209 respectively.

### 5. Estimates

The presentation of financial statements in conformity with U. S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

6. Pledges Receivable

Pledges receivable represent unconditional promises to give and are recorded as receivable and revenue at fair value when received. Management evaluates the collectability of its pledges receivable and records an allowance for estimated uncollectible amounts, if necessary.

7. Fixed Assets

AAA capitalizes property and equipment on the basis of cost at the acquisition date, and fully depreciated assets are carried on the books until the date of disposal. Depreciation is computed on the straight-line method over the estimated useful lives of the related assets. Repairs and maintenance expenditures are charged to expense when incurred.

8. Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

9. Income Taxes

In 2006, the FASB issued FASB Interpretation No. 48, *Accounting for Uncertainty in Income Taxes - an interpretation of FASB Statement No. 109*, (FIN 48), which clarifies the accounting for uncertainty in tax positions. FIN 48 has been codified in FASB ASC 740-10. FIN 48 requires that the Association recognize in the financial statements the impact of a tax position, if that position is more likely than not of being sustained on audit, based on the technical merits of the position. AAA adopted the provisions of FIN 48 as of the date of incorporation. AAA is exempt from Federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. At June 30, 2017 and 2016, there are no deferred tax assets and liabilities or current income tax expense.

No interest or penalties resulting from an underpayment of income taxes have been recognized in the statement of activities or in the statement of financial position. AAA has no positions for which it believes it is reasonably possible that the total amounts of unrecognized tax benefits will significantly increase or decrease within the next twelve months. The tax years 2017 through 2012 remain subject to examination by the Internal Revenue Service.

10. Recent Accounting Pronouncements

In February 2016, the Financial Accounting Standards Board (FASB) issued its new lease accounting guidance in Accounting Standards Update (ASU) No. 2016-02, *Leases (Topic 842)*. Under the new guidance, lessees will be required to recognize the following for all leases (with the exception of short-term leases) at the commencement date: (1) A lease liability, which is a lessee's obligation to make lease payments arising from a lease, measured on a discounted basis; and (2) A right-of-use asset, which is an asset that represents the lessee's right to use, or control the use of, a specified asset for the lease term. The new guidance is effective for nonpublic entities for fiscal years beginning after December 15, 2019, and interim periods within fiscal years beginning after

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

December 15, 2020. Early application is permitted. AAA is currently evaluating the impact this ASU will have on its financial statements.

The FASB has issued ASU No. 2016-14, *Not-for-Profit Entities (Topic 958) Presentation of Financial Statements of Not-for-Profit Entities*. ASU 2016-14 amends guidance on the current net asset classification requirements and the information presented in the financial statements and notes about a not-for-profit entity's liquidity, financial performance, and cash flows. ASU 2016-14 replaces the currently required three net asset classes with two net asset classes, *net assets with donor restrictions* and *net assets without donor restrictions*. Other amendments within ASU 2016-14 are intended to improve the usefulness of information provided to donors, grantors, creditors, and other users of a not-for-profit's financial statements. The new guidance is effective for fiscal years beginning after December 15, 2017 and early adoption is permitted AAA is currently evaluating the impact of the adoption of ASU 2016-14 on its financial statements.

The FASB has issued certain new or modifications to, or interpretations of, existing accounting guidance in addition to the ASU's described above. AAA has considered the new pronouncements and does not believe that any other new or modified guidance will have a material impact on AAA's reported financial position or activities in the near term.

NOTE F – TAX CREDIT CONTRIBUTIONS CONTINUED

Effective July 1, 2016, AAA’s governing board designated unrestricted interest earned to be used for any reasonable and appropriate purpose as determined by the President and approved by the Board. Prior to that date, unrestricted interest earned on tax credit contributions was designated for funding additional scholarships only.

NOTE G – GRANTS

Florida Gardiner Scholarships (formerly known as the Florida Personal Learning Account or PLSA) are funded through a Florida Department of Education (“FL DOE”) grant. The grant also provides for up to three percent of the authorized funding to be used for reasonable and necessary expenses to administer the program (an “administrative allowance”). AAA requests funding from the FL DOE once a student is determined eligible for the program. If the student withdraws from the program or is subsequently determined ineligible, the funds are returned to the FL DOE. If AAA incurs expenses to administer the withdrawing student’s account, it is allowed to keep the administrative allowance, otherwise, the allowance is required to be returned to the FL DOE.

During the 12 months ended June 30, 2018, AAA recorded the following transactions related to the Florida Gardiner Scholarship program:

	<u>Scholarships</u>	<u>Administrative Allowance</u>
Grant Received from FL DOE	\$6,718,002	\$156,208
Returned to FL DOE	<u>(505,571)</u>	<u>(7,513)</u>
Net Grant Funds Received	<u>\$6,212,431</u>	<u>\$148,695</u>

Net Grant Funds Received	<u>\$4,504,665</u>	<u>\$135,965</u>

The Florida Gardiner Scholarship program allows students to transfer their scholarship accounts between eligible SFOs during the year. If an SFO incurs expenses to administer the student’s account, they are allowed to keep the administrative allowance, otherwise, the allowance is required to be transferred along with the scholarship balance. During the 12 months ended June 30, 2018, the following transfers occurred:

	<u>Scholarship Balance</u>	<u>Administrative Allowance</u>

The verification report limits the risk that a check might be issued for a student who has withdrawn from the eligible private school or the student's parent or guardian has not complied with their responsibilities under the program. The checks are mailed directly to the school and the student's parent or guardian must restrictively endorse the check for deposit only by the private school.

Florida Gardiner Scholarship program disbursements are made pursuant to a request from a student's parent or guardian for an authorized education-related good or service. The disbursements are made electronically and may be made to a private school, a vendor or as a reimbursement to a parent or guardian.

NOTE K - FAIR VALUE

FASB Statement No. 157 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB Statement No. 157, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

AAA Scholarship Foundation, Inc.  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2018 and 2017

NOTE K - FAIR VALUE CONTINUED

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities AAA has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include AAA's own data).

The following table presents AAA's investments and fair value hierarchy as of June 30, 2018:

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of  
AAA Scholarship Foundation, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of AAA Scholarship Foundation, Inc. (the "Organization"), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 30, 2018.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect, or correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH  
MAJOR STATE FINANCIAL ASSISTANCE PROJECT AND ON  
INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY  
STATE OF FLORIDA CHAPTER 10.650, *RULES OF THE AUDITOR GENERAL*

To the Board of Directors of  
AAA Scholarship Foundation, Inc.

**Report on Compliance for Each Major State Financial Assistance Project**

We have audited the compliance of AAA Scholarship Foundation, Inc. (the "Organization") with the types of compliance requirements described in the Department of Financial Services' State Projects Compliance Supplement that could have a direct and material effect on the Organization's major state financial assistance project for the year ended June 30, 2018. The Organization's major state financial assistance project is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its state financial assistance project.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for the Organization's major state financial assistance project based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the State of Florida Chapter 10.650, Rules of the Auditor General. Those standards and the State of Florida Chapter 10.650, Rules of the Auditor General, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state financial assistance project occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstance.

We believe that our audit provides a reasonable basis for our opinion on compliance for its major state financial assistance project. However, our audit does not provide a legal determination on the Organization's compliance.

**Opinion on Each Major State Financial Assistance Project**

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major state financial assistance project for the year ended June 30, 2018.

## **Report on Internal Control Over Compliance**

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on its major state financial assistance project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for its major state financial assistance project and to test and report on internal control over compliance in accordance with the State of Florida Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect noncompliance with a type of compliance requirement of a state financial assistance project on a timely basis. A material weakness in internal control over compliance is a deficiency or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state financial assistance project will not be prevented, or detected and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state financial assistance project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses may exist that have not been identified.

### **Purpose of this Report**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the State of Florida Chapter 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.
