**Rule 6A-1.0450, F.A.C.,  
Academically High-Performing School District  
Virtual Instruction Plan**

**State Board of Education  
March 30, 2022**

## Academically High-Performing School District Virtual Instruction Plan

- Section 1003.621, F.S., allows up to two days of virtual instruction in these districts.
- Districts must submit a plan for Department approval.
- This new rule adopts the template for the district plan.

# Academically High-Performing School District Virtual Instruction Plan

- Virtual instruction must be teacher-developed, and be aligned with the standards for enrolled courses.
- The day(s) must be indicated on the calendar approved by the school board.
- The district shall submit a plan for each day of virtual instruction to the department for approval, in a format prescribed by the department, with assurances of alignment to statewide student standards, before the start of each school year.

## **Academically High-Performing School District Virtual Instruction Plan**

- The instruction must be aligned to Rule 6A-1.094124, F.A.C., Required Instruction Planning and Reporting.
- There must be a plan to provide in-person instruction at the school site to students unable to participate virtually.
