The Appendix shall specify the services to be performed by Contractor, and the payment terms for such Services, as well as any other details specified by the parties. Should the Services as described in the Appendix change in any material way, for example, the addition or removal of a school, an adjustment to Contractor’s fees and the promised delivery dates for such Services may be required. III. CONTRACT TERM AND TERMINATION

A. **Initial Term.** This initial term of this Agreement shall be for a period of 1 year following approval from the Board. The Agreement shall become effective August 20, 2019 through July 31, 2020.

B. **Renewals.** This Agreement may be renewed for two (2) additional, one (1) year periods provided all conditions remain unchanged and in full force and effect.

C. **Termination by the Board for Convenience.** The Board or Contractor shall have the right to terminate this Agreement without cause, upon written notice of such termination provided not less than thirty (30) days prior to the date that such termination is to be effective. If HCPS elects to terminate this Agreement without cause, HCPS shall compensate Contractor for all satisfactory goods and services provided prior to the date of termination. In the event that this Agreement is so terminated in advance of its scheduled completion, Client shall pay to Contractor, upon receipt of an invoice, the following:

1. The monthly payment which falls between the delivery of the Notice of Termination and the Termination Date, provided that, as the monthly payments under the Agreement are made "in advance," this monthly payment shall be reduced on a pro rata basis by the number of days during the month which fall after the Termination Date; and,

2. Any and all proper charges earned and/or incurred by Contractor in connection with the Services pursuant to this Agreement up to the Termination Date, provided that such charges shall not include any charges, the liability for which, was incurred after Contractor received the Notice of Termination and further provided that under no circumstances shall the total of such charges exceed one (1/2) half of the monthly payment which would have otherwise followed the Termination Date.

D. **Termination by Contractor or Board for Cause.** This Agreement may be terminated by Contractor or the BOARD for cause prior to the end of the term in the event of a failure to remedy a material breach within a period reasonable under the circumstances, which shall not be longer than sixty- (60) days after notice. In order to terminate this Agreement for cause, each party is required to provide written notification of the facts it considers to constitute material breach and the period of time within which to remedy this breach. After the period to remedy the material breach has expired, the notifying party may terminate this Agreement by providing written notification of termination.

E. **Non-Appropriation of Funds.** HCPS payment obligations are conditioned upon the availability of funds that are appropriated or allocated for the payment of goods and services. If such funds are not allocated and available, HCPS may terminate this Agreement at the end of the period for which funds are available and shall notify Contractor at the earliest possible time before such termination. No penalty shall accrue to HCPS and shall not be obligated or liable for any future payments due or for any damages due to termination under this section.

F. **Change in Law.** If any federal, state, or local law, regulation, or court decision has a material adverse impact on the ability of either party to carry out its obligations under this Agreement, then either party, upon written notice to the other, may request renegotiation of the

Agreement. If the Parties are unable or unwilling to renegotiate the terms within ninety-(90) days after said notice, the party requesting the renegotiation may terminate this Agreement on ninety (90) days further written notice.

G. **Transition.** In the event of termination of this Agreement for any reason by either party prior to the end of the Agreement's term, Contractor shall provide the school(s) reasonable assistance for up to ninety (90) days after the effective date of the termination to allow a transition back to a regular school program or to transition to another education service provider. Client acknowledges that the specialized nature of CONTRACTOR's proprietary information, trade secrets and other intellectual property are such that a breach of the foregoing covenant would necessarily and inevitably result in disclosure, misappropriation and/or misuse of such proprietary information, trade secrets and other intellectual property and, accordingly, Client acknowledges and agrees that such breach would impose unique and irreparable harm upon CONTRACTOR and that CONTRACTOR shall be entitled, in addition to its other rights and remedies, to require, by injunction or decree of specific performance, satisfaction in full of Client's obligations hereunder.

I. **Force Majeure.** Neither party shall be liable to the other party for any loss or damage of any kind or for any default or delay in the performance of its obligations under this Agreement (except for payment obligations) if and to the extent that the same is caused, directly or indirectly, by fire, flood, earthquake, elements of nature, epidemics, pandemics, quarantines, acts of God, acts of war, terrorism, civil unrest or political, religious, civil or economic strife or any other cause beyond a party's reasonable control.

J. **Governing Law, Submission to Jurisdiction and Consent to Suit.** This agreement shall be governed by and construed and interpreted in accordance with the laws of the state of Florida (irrespective of the choice of laws principles of the state of Florida) as to all matters, including matters of validity, construction, effect, enforceability, performance and remedies. agreement to the exclusive jurisdiction of any state or federal court within Hillsborough County, Florida, and Client hereby accepts venue in each such court.

K. Dispute Resolution Procedure. In the event of a dispute, controversy or claim by and between Client and Contractor arising out of or relating to this Agreement or matters related to this Agreement, the parties will first attempt in good faith to resolve through negotiation any such dispute, controversy or claim. Either party may initiate negotiations by providing written notice in letter form to the other party setting forth the subject of the dispute and the relief requested. The recipient of such notice will respond in writing within five (5) business days with a statement of its position on, and recommended solution to, the dispute. If the dispute is not resolved by this exchange of correspondence, then senior management representatives of each party will meet at a mutually agreeable time and place within fifteen (15) business days of the date of the initial notice in order to exchange relevant information and perspectives and to attempt to resolve the dispute.

If the dispute is not resolved by these negotiations, the matter will be submitted to a mutually agreeable mediator for mediation. The mediation shall take place in Hillsborough County, Florida, and shall be conducted under Sections 44.401-44.406, Florida Statutes, the "Mediation Confidentiality and Privilege Act." The parties understand that none of the above offers made on behalf of the Client can be binding as the Client is governed by a board which is subject to Florida's sunshine law. Therefore, the parties understand that should any such offers be made, such offers are made subject to the consideration and possible approval or disapproval by the governing board of the Client at a public meeting and in accordance with Florida's sunshine law.

Except as provided herein, no civil action with respect to any dispute, controversy or claim arising out of or relating to this Agreement may be commenced until the matter has been submitted for mediation. Either party may commence mediation by providing to the other party a written request for mediation, setting forth the subject of the dispute and the relief requested. The parties will cooperate in selecting a mediator and in scheduling the mediation proceedings. The parties will participate in the mediation in good faith and will share equally in its costs. Either party may seek equitable relief prior to the mediation to preserve the status quo pending the completion of that process. Except for such an action to obtain equitable relief, neither party may commence a civil action with respect to the matters submitted to mediation until after the completion of the initial mediation session. Mediation may continue after the commencement of a civil action, if the parties so desire. The provisions of this clause may be enforced in court.

In addition, should the dispute under this Agreement involve the failure to pay funds owed to Contractor, and the matter proceeds to litigation, the prevailing party in such litigation shall be entitled to recover from the non-prevailing party all of the prevailing party's costs of such litigation including reasonable attorneys fees.

Notwithstanding anything else herein to the contrary, both parties mutually and forever waive the right to recover any consequential, incidental, indirect, special or punitive damages, including, without limitation, loss of future revenue, income or profits, in any legal proceeding(s) arising out of or relating to this Agreement. This waiver shall apply to legal actions sounding in both contract and tort and shall apply whether or not the possibility of such damages has been disclosed in advance or could have been reasonably foreseen. This provision shall not be interpreted to mean that, absent this provision, either party would have the right to recover any such damages.

L. **Public Entity Crimes.** Per the provisions of Florida Statute 287.133 (2) (a), "a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a vendor, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Florida Statute 287.017 for category two for a period of 36 months from the date of being placed on the convicted vendor list." N. **Assignment.** Neither party may assign any of its rights or delegate any of its duties or obligations under this Agreement without the express written consent of the other party. Notwithstanding the foregoing, Contractor, or its permitted successive assignees or transferees, may assign or transfer this Agreement or delegate any rights or obligations hereunder without consent: (i) to any entity controlled by, or under common control with, Contractor, or its permitted successive assignees or transferees; or (ii) in connection with a merger, reorganization, transfer, sale of assets or change of control or ownership of Contractor, or its permitted successive assignees or transferees.

O. **Severability.** In the event that any provision of this Agreement shall be declared illegal or invalid for any reason, said illegality or invalidity shall not affect the remaining provisions hereof, but such illegal or invalid provision shall be fully severable and this Agreement shall be interpreted and enforced as if such illegal or invalid provision had never been included herein.

COMPENSATION

The average base price per school for the service outlined in the preceding section is **\$365,000**, inclusive of all services and estimated expenses. In addition to the base fee, HCSS would be able to earn incentives for achievement of defined performance goals or, alternately, discounts for failing to meet certain performance goals, as described in the tables below (Year 1 Fees, Year 2 Fees, Year 3 Fees). The total not-to-exceed compensation, covering all four schools and both base and incentive elements, and thus contingent upon achievement of all performance goals, would be **\$2,060,000** for year 1, **\$2,160,000** for year 2, and **\$2,060,000** for year 3.

Performance goals are based on “Total Points Earned” and associated letter grades as established by the Florida Department of Education within the Florida School Accountability grading system. If this performance grading system changes materially during the term of the contract, HCSS and HCPS will renegotiate specific standards of performance within any revised accountability system to best approximate the benchmarks established below.
