

Certification of Compliance with Section 553.865, F.S., Safety in Private Spaces Act

Institution Name: _____ **President's Name:** _____

For existing facilities as of July 1, 2023, each postsecondary institution president must certify to the Department compliance with the following Assurances 1 through 5. For new facilities established after July 1, 2023, the president must certify compliance with Assurances 1 and 2 and provide the facility name and location as requested below:

Assurance 1 (check all that apply):

Restrooms are designated for exclusive use by males or females, as determined at birth by biological sex, in accordance with section 553.865(4), F.S.

There is a unisex restroom, in accordance with section 553.865(4), F.S.

Assurance 2 (check all that apply):

Changing facilities are designated for exclusive use by males or females, as determined at birth by biological sex, in accordance with section 553.865(5), F.S.

There is a unisex changing facility in accordance with section 553.865(5), F.S.

Assurance 3:

The student code of conduct has been updated according to section 553.865(9)(a), F.S.

Provide the hyperlink to student code of conduct that has been updated (or attach the document where the procedure is located if not available online):

Assurance 4:

Disciplinary procedures have been established in accordance with section 553.865(9)(c), F.S.

Provide the hyperlink to the employee manual with the location of the disciplinary procedure for employees (or attach the document where the procedure is located if not available online):

Assurance 5:

The employee code of conduct has been updated according to section 553.865(9)(c), F.S.

Provide the hyperlink to the employee code of conduct that has been updated (or attach the document where the procedure is located if not available online):

Submit form to ChancellorFCS@fldoe.org by April 1, 2024 (or within one year of the establishment or acquisition of a new facility by your institution or direct support organization after July 1, 2023).

Check here if this document is submitted due to the establishment of a new facility after July 1, 2023. Indicate the name and location of the new facility:

President's Signature
