

John M. McKay

Scholarship Program

September 2014 Quarterly Report

The John M. McKay Scholarships for Students with Disabilities Program allows parents of students with disabilities to choose the best academic environment for their children. This program provides eligible students the opportunity to attend a participating private school or transfer to another public school. Eligible students include students who have been issued an Individualized Education Plan (IEP) or a 504 Accommodation Plan that is effective for more than 6 months.

This report contains private school and student statistics for the September 2014 payment period of the 2014-2015 school year. Percentages are rounded.
