MEMORANDUM

TO: Providers of Adult Education and Family Literacy, Adult General Education, Native American and Corrections Education Projects

FROM: Rod Duckworth

DATE: September 23, 2013

SUBJECT: **2013-2014 Adult Education and Family Literacy Revised Allocation of Funds Listing**

The division received the official federal award notification on May 6, 2013, from the U.S. Department of Education. The notification results in an increase in funds from the originally posted allocation of funds for Adult Education and Family Literacy, Adult General Education, Native American and Corrections Education Projects.

In the attached documents, you will find the revised allocation of funds for Adult General Education, Corrections and Native American projects. The updated allocation charts are also available at the following web address: <http://www.fldoe.org/workforce/dwdgrants/adulted.asp>. The amounts represent additional dollars your agency may acquire through the project amendment process. The funding period for the additional funds will be from the date we receive your amendment, in acceptable form, through June 30, 2014.

To acquire the additional funds reflected in the allocation charts, you must submit DOE 150 and 151 Budget Amendment Forms. These funds are to be treated as basic grant funds and used to enhance a current project as well as support new initiatives provided they are reflected in your agency's approved plan.

Please forward your completed amendment request to:
