**MEMORANDUM**

**TO:** District School Superintendents

**FROM:** Suzanne Pridgeon 

**DATE:** February 15, 2023

**SUBJECT:** **2022-23 Recommendation for an Alternate Reduction to Class Size Allocation**

Pursuant to [section \(s.\) 1003.03\(4\)\(c\), Florida Statutes \(F.S.\)](#), attached are the recommendations for an alternate reduction to the class size categorical allocation for traditional public schools, charter schools, and district-operated schools of choice that were not in compliance with s. 1003.03(1), F.S., for the 2022-23 school year.

On January 4, 2023, districts and charter schools that were not in compliance with the law were notified of their status and given an opportunity to appeal. Following those appeals, a recommendation for an alternate reduction to the class size categorical allocation was developed based on actual student enrollment in excess of that funded by the legislature, corrections to data reporting errors, and extenuating circumstances identified through appeals. The recommendation for an alternate reduction is subject to approval by the legislature.

If you have questions regarding class size requirements, please call the Office of Finance and Operations at 850-245-0406.
