**Sent:** Wednesday, August 19, 2020 4:40 PM **Subject:** NEW!! #COVIDStopsWithMe Toolkit

#### **Dear District PIOs:**

As many of you have asked for this, the Department of Education has created the **#COVIDStopsWithMe Toolkit** which is designed to assist Florida's education family in lowering the impact in Florida's education institutions and slowing the spread of COVID-19. It includes guidance and tools to help administrators, educators, and families make decisions, protect their students and staff, and communicate with their communities. The toolkit is located on our emergency response website at <a href="https://www.fldoe.org/em-response">www.fldoe.org/em-response</a>. There are also versions in Spanish.

The toolkit includes the following graphics; please download the toolkit and share on social media, post in your hallways and classrooms, and share with your communities using the **#COVIDStopsWithMe** hashtag. The website is updated daily, so check back often for the most up-to-date information and guidance on COVID-19.
