<u>Note</u>: For those career and technical secondary courses that have been identified in the Course Code Directory (CCD) as satisfying the fine or performing arts high school graduation requirement (s. 1003.428(2)(a)(5) F.S.), the equivalent postsecondary (adult level) CTE course will also satisfy that requirement. The "PA" code (under the "courses meeting subject area graduation requirements" column in Section 5 of the CCD) identifies whether or not a particular course satisfies the fine or performing arts high school graduation requirement. The CCD does not identify college courses (PSAV, PSV). To determine if a college course offered through dual enrollment may satisfy the fine or performing arts high school graduation requirement, please contact the career and technical education programs section at 850-245-9020.

The "~" sign next to a course indicates that the course is valid for students taking the course in the 2011-2012 school year or before.

The ">" sign next to a course indicates that the course is valid for students taking the course in the 2012-13 school year or before.

The "<" sign next to a course indicates that the course is valid for students taking the course in the 2012-13 school year or later.
