AVERAGE AGE OF STUDENTS BY FLORIDA COLLEGE CAREER AND ADULT EDUCATION PROGRAM AREA

Source: Florida Education & Training Placement Information Program Outcomes Reports

¹ Students may have been enrolled in more than one program. Because of the duplication, the total enrollment in this chart is larger than the Adult General Education enrollment in the previous chart.

² Students whose race or gender is not reported in the Florida College Student Database are excluded from percentage calculations. Data for EAP Vocational Preperations, part of Adult General Education data, was not available at the time of this publication.

³ Data for Applied Academics for Adults with Disabilities was not available at the time of this publication.
