Data Element Number: **215248**

Data Element Name: **Professional Development, Evaluation Method, Student**

A one-character code to describe the primary means (50 percent or more) of evaluating the professional development's impact on student performance, or readiness for college and/or careers.

Code	Definition/Example
A	Results of national, state or district-developed/standardized student performance measure(s)
B	Results of school/teacher-constructed student growth measure(s) that track student progress
C	Portfolios of student work
D	Observation of student performance
F	Other performance assessment(s) that reveal impact on students including learning objectives or behavioral growth (e.g., Band, Art, Chorus)
G	Did not evaluate student outcomes as "evaluation method, staff" is the significantly more relevant measure for assessing impact of the component and supporting decisions to retain, revise, or delete the component
Z	Did not evaluate student outcomes due to absence of a reliable, valid and measurable cause and effect relationship between the professional development and impact on students
