Community College and Technical Center Management Information Services

---

On Friday, October 18, 2024, the window opens for the Annual Personnel Reports (APR) data submissions for the 2024-2025 reporting year. This data is used to populate the Integrated Postsecondary Data System (IPEDS).

The Bureau of Community College and Technical Center Management Information Systems (CCTCMIS) produces a verification report titled IPEDS Human Resources Survey to support colleges in verifying the accuracy of their data. This report is a mirror image of the report that colleges will receive from PK-20 Education Reporting and Accessibility (PERA) to populate the IPEDS data collection system. The APR submission file record format, verification report list and due dates are provided in the [2024-2025 Annual Personnel Reports Data Dictionary](#).

All colleges must successfully submit and load APR data by the end of processing on Friday, November 8, 2024. The submission window closes by the end of processing on Friday, November 22, 2024. The scheduled daily processing times are documented within the [Data Submission Procedures](#).

The certification for this data submission is due Monday, November 25, 2024. Certification forms are available on the [CCTCMIS website](#) and should be submitted using the specified certification file name listed within the form. If this date proves problematic due to the holiday schedule, the certification would be due Friday, November 22, 2024.

If you have any questions, please email the following staff: [Katherine Mueller](#), Data Processing Manager, or [Murray Cooper](#), Personnel Database Administrator.
