EXECUTIVE SUMMARY

Section 1002.3305, Florida Statutes, requires the State Board of Education to contract with the operator of a college-preparatory boarding academy selected through a competitive request for proposals.

The Department of Education selected the SEED School of Miami, Inc. to operate the academy and entered into a contract in May 2014. The authorizing statute provides that the academy is created for the purpose of providing unique educational opportunities to dependent or at-risk children who are academic underperformers but who have the potential to progress from at-risk to college-bound.

Attached required amendment to SEED's Contract, Section XI incorporates language necessary to comply with criteria outlined in Section 4 of Executive Order 20-44 approved on February 12, 2020 and Memorandum#21-025.

Supporting Documentation Included: SEED contract amendment #6 package that includes FDOE internal memo, copy of Executive Order 20-44, and Memo#21-025.
