Data Element Name: **Fund Source: ESSA Title III**

A one-character code to identify whether a teacher's position or the program a teacher is teaching in is funded under Title III of the Every Student Succeed Act (ESSA).

Code	Definition/Example
N	No Title III funds are used to pay this teacher or fund the program in which the teacher is teaching.
Y	The teacher or program receives Title III funds.
Z	Not applicable. Report code Z for survey periods 1 and 4.

Note: Title III is a 100% federally funded supplemental program that concentrates on delivering language instruction educational programs to students who have a primary language other than English. This program is designed to improve the education of English Language Learners (ELL) children and youths by helping them learn English and meet challenging state academic content and student academic achievement standards. The program also provides enhanced instructional opportunities for immigrant children and youths.

If Title III funds are used in any way to provide supplemental assistance to the teacher or program use code Y.

For example:

- A teacher is NOT funded with Title III funds but textbooks specific to the ELL students and used in this class were purchased using Title III funds; thus a Y code is used. In other words, the program is being supplemented with Title III funds to enhance the instructional opportunities for ELL students.
- A teacher teaching ELL students, not paid by Title III and having no supplemental services or materials in the class that were purchased using Title III funds. Use code N.
- A school with a specific instructional program model (bilingual, sheltered, two-way) that includes an instructional ELL coach paid with Title III funds who works with the teachers at the site. Use code Y.
