EXECUTIVE SUMMARY

New Rule 6M-8.622, F.A.C., details procedures for the department to implement new VPK program accountability for calculating each VPK provider's performance metric and assignment of performance designations in accordance with Section 1002.68, F.S. The rule includes key VPK accountability terms and definitions including composite program assessment score, eligible children, growth rate, highest literacy classification, kindergarten readiness and performance metric designations. Additionally, the rule outlines the three components (quality, achievement and learning gains) for calculating each VPK provider's performance metric, and criteria for assigning performance designations.
