- 2 heimlich valve
- 1 isolette
- 4 IV trainers
- 2 monitor/defibrillator (portable)
- 1 pacemaker, transthoracic
- 1 respirator, pressure-cycled
- 1 respirator, volume-cycled
- 1 tray, phlebotomy
- 1 tray, suture
- 10 tray/catheters urinary

Supplies Required by DOT

- 3 roll adhesive tape
- 1 box alcohol preps (large)
- 20 bandage, 3" coban elastic
- 20 doz bandages, triangular
- 20 blood tubes
- 5 burn sheets
- 20 catheters, over-the-needle (OTN) 18g x 2"
 - 1 pkg 4 x 4 unsterile (200/pkg)
- 20 infusion sets, small-vein 23g
- 40 kling 4"
 - 2 tube KY jelly
- 20 minidrop adm sets
- 40 multi-trama dressings
- 20 NaCl 250cc bags
 - 5 oral airway sets with case
 - 5 practice ampules
- 20 solution adm sets
 - 5 sterile water for injection
- 40 syringes (tuberculin):
 - 1cc, 3cc, 10cc,
 - 30cc, 50cc
- 10 tourniquets, penrose
- 20 vacutainer multi-sample needles

Additional Recommended Equipment

batteries, rechargeable
battery charger
battery discharger
cardiac rhythm simulator
crash cart, 9-drawer
destructi-clip
EKG trainer

full-arm foam rubber trainer
infant IV head
injection hips (foam rubber)
injection model (silicone)
IV arm (adult)
IV arm (pediatric)
IV elbow (foam rubber)
IV hand (foam rubber)
IV infusion pump (manual)
monitor (dummy defib/charger)
patient cable
rolling IV pole
stretcher IV pole
subclavian model
tourniquets, velcro
tubex cartridge
venipuncture teaching model (silicone)

Additional Recommended Supplies

adhesive remover
catheter, through-the-needle (small)
catheters, over-the-needle (OTN) 22g x 1"
conductive paste
contaminated needle box
defib pads
dextrostix
electrodes, disposable
extension sets
infusion sets, small-vein 23g
IV arm replacement parts:

- inner arm,
- outer skin,
- veins

lancets
medcups, 1 ounce
minidrop adm sets
needles (stainless steel):

- 25g x 5/8"
- 22g x 1 1/2"
- 23g x 1"
- 23g/3cc syringe

needles, vacutainer multi-sample
RL 500cc bags
solution adm sets
sterile saline for injection
surgical tubing (1/8" ID) roll latex,
talcum powder
towels, disposable
vacutainer housing
