### **MEMORANDUM**

TO: District School Superintendents

FROM: Suzanne Pridgeon Wynne hodge-

**DATE:** February 12, 2021

# SUBJECT: February 2020-21 Student Transportation Survey Information

The February 2020-21 student transportation survey was conducted during the week of February 8-12, 2021. The Automated Student Information System (student transportation format) will be used by all districts to transmit their February student transportation survey information. Please refer to Appendix G of the <u>2020-21 FTE General Instructions</u> for information regarding student eligibility and reporting criteria, and instructions for the Automated Student Information System.

The initial due date for reporting February survey data is Friday, February 19, 2021. Any corrections or revisions to this data, prior to the amendment window, must be addressed by Friday, March 5, 2021, the system cut-off date, in order to be incorporated into the 2020-21 Florida Education Finance Program (FEFP) Fourth Calculation. The final February survey amendment date is April 15, 2021. The attached form letter, which certifies the adjusted student membership and the number of buses reported on the database, must be signed by the superintendent or designee and submitted no later than Friday, March 12, 2021. The February student transportation information provided in this letter must match that reported in the district database as of the March 5, 2021, cut-off date. Once notified of the availability of certification reports, districts may use Transportation Report F63499 or F70092 to verify adjusted membership and bus information recorded in the database for the certification letter. The information in this letter will be compared with the Florida Department of Education's (department) report to ensure that accurate information is used in the transportation funding formula.

Charter schools with eligible students who are reported for FEFP transportation funding must submit their ridership reports to their sponsoring school district, which will include these students in the survey data submitted to the department. Charter schools do not have to submit a certification

Suzanne Pridgeon Deputy Commissioner, Finance and Operations letter to the department, and are encouraged to contact the transportation director in their sponsoring school district regarding the district's reporting process and procedures prior to the survey.

Please call Josh Bemis, School Business Services, at 850-245-0405, or Teresa Sancho, PK-12 Education Information Services, at 850-245-0400, if assistance is needed in reporting student transportation data. The signed certification letter should be emailed to <u>james.andrews@fldoe.org</u>.
