## **MEMORANDUM**

**TO:** District School Superintendents

**FROM:** Linda Champion

**DATE:** February 7, 2017

**SUBJECT:** February 2016-17 Student Transportation Survey Information

The February 2016-17 student transportation survey will be conducted the week of February 6-10, 2017. The Automated Student Information System (student transportation format) will be used by all districts to transmit their February student transportation survey information.

Please refer to the <u>2016-17 Student Transportation General Instructions</u> for assistance with student eligibility, reporting criteria, instructions for the Automated Student Information System and reporting deadlines. Please note that language has been added to clarify that the sum of "Days in Term" reported for surveys 2 and 3 for the same fiscal year is the lesser of 180 days or the actual number of days the district's schools are in session during the school year.

A list of the reporting deadlines is attached. The deadline for initial full submission of the February survey data is Friday, February 24, 2017. Any corrections or revisions to this data, prior to the amendment window, must be addressed by Friday, March 10, 2017, the system cut-off date. The attached form letter, which certifies the adjusted student membership and the number of buses reported on the database, must be signed by the superintendent or designee and submitted no later than Friday, March 17, 2017. The February student transportation information provided in this letter must match that reported in the district database as of the final cut-off date. **Districts may use Transportation Report F63499 or F70092 to verify adjusted membership and bus information recorded in the database for use in the certification letter.** The information in this letter will be compared with the department's report to ensure that accurate information is used in the transportation funding formula.

Charter schools with eligible students who are reported for Florida Education Finance Program transportation funding must submit their ridership reports to the sponsoring school district. The district will include these students in the survey data submitted to the department. Charter schools are encouraged to contact the transportation director in their sponsoring school district prior to the survey regarding the district's reporting process and procedures. Please email or call the department's School Transportation Office at <a href="mailto:schtrans@fldoe.org">schtrans@fldoe.org</a> or 850-245-9795 if you need contact information for local school district transportation personnel.

Please call Lee Davis, School Business Services, at 850-245-0405, or Kenneth Dukes, PK-12 Education Information Services, at 850-245-0400 if assistance in reporting student transportation data is needed.

If sending a fax is preferable, please use the following fax number: 850-245-9135.
