Priority 2: Expand the state's talent pipeline through attainment of credentials of value and acquisition of postsecondary certifications, industry-recognized credentials, and degrees.

The written narrative should comprise of a two-year plan expressing the adult education program implementation details.
3. Align adult education services with the needs outlined with the **Local CareerSource Workforce Development Board’s** local plan and submit a **Memorandum of Understanding (MOU)** in collaboration with the local workforce development board (federal requirement). This required MOU outlines the roles and responsibilities of Adult Education provider and local CareerSource. The executed MOU must include the current project year and include the six federal requirements. Carefully review the MOU resource information to ensure the MOU complies with all federal requirements. This document is located on the DCAE at <http://www.fldoe.org/academics/career-adult-edu/funding-opportunities/>.

8. **Ensure all other federal requirements, required information, use of funds, reporting, monitoring, compliance and assurances** are included in the proposal package.

Grant Application Overview:

This narrative section provides the details of applying for and operating an effective and compliant adult education program. For ease of reference, the narrative sections are organized by the priorities of Florida's Adult Education System.

In this consolidated adult education grant application, each eligible provider may apply for funds in two different federal funding streams WIOA 231 and/or WIOA 243:

- WIOA Section 231: Adult General Education (AGE) and English Language Acquisition (ELA)
- WIOA Section 243: Integrated English Literacy and Civics Education (IELCE)
- Combination: WIOA Section 231 and WIOA Section 243

When responding in the narrative section, eligible provider will have to provide two-year detailed written narrative responses to address adult education activities and services related to **each** federal funding stream AGE (funds made available under section 231 and/or IELCE funds made available under section 243).

- For example, if you are applying for both AGE and IELCE funds, the narrative response must address specific details related to both programs.

All funding streams may use funds to support allowable Family Literacy (Two-Generation) activities.

Important reminders:

- In the Budget Narrative Section each eligible provider will be required to submit TWO separate DOE101S Budget Narrative Forms to outline proposed allowable cost and activities per funding stream. If a grant application is approved for both funding streams, FDOE will create separate project numbers for each funding stream. Providers will be required to maintain separate fiscal records.
