***\*A district-determined (DD) subject area graduation code was implemented in SY 2018-19 and thereafter, which has been applied to specific courses in the CCD. Schools MUST convert the DD code to an acceptable subject area code on official student records in order for a student to receive graduation credit. For the 2018-2019 through 2021-2022 school years, the only acceptable subject area codes that can be used for those courses carrying the DD graduation code will be codes BI or EQ.***
