**SUBJECT:** 2022-2023 Charter School Annual Accountability Report

Section 1002.33(9)(k), F.S., requires every operating charter school to coordinate with its sponsoring district in submitting an annual accountability report to the Florida Department of Education.

**Charter schools that operated during the 2022-2023 academic year** must complete the annual accountability report.

The report is accessible at <https://www.fldoe.org/sso>. The deadline for schools to submit the 2022-2023 Charter School Annual Accountability Report online is no later than 11:59 p.m., Eastern Standard Time, **April 30, 2024**. The deadline for final submission by districts is no later than 11:59 p.m., Eastern Standard Time, June 28, 2024. As required by law, the Department of Education will include in its summary report a notation if a school fails to file its report by the established deadline.

If the school's 2022-23 Financial Audit has already been submitted, please do not resubmit the report. Administrators may skip this section only. The remaining sections must be saved to submit the report.

The school district is responsible for reviewing the information provided by the charter school. The district should include any necessary and relevant comments related to the information provided by the school. Upon completion of the review, the district is responsible for submitting the online report to the Office of Independent Education and Parental Choice.
