Element Name:	Vocational Credential, Other

Definition/Domain

Indicate the type of credential (vocational certificate or Applied Technology Diploma) awarded to the student this term for vocational instruction.

CODE | DEFINITION

V   **Vocational Certificate** - awarded after the student completes the entire postsecondary vocational program and meets the basic skill level requirement. When a program branches with multiple specialties, a terminal OCP identified in Appendix I counts as full program completion. In this case the student must also meet the basic skill level requirement.

A   **Applied Technology Diploma** - awarded after the student completes a postsecondary Applied Technology Diploma program.

N   **Neither of the above** - Indicates that neither a vocational certificate nor an Applied Technology Diploma was awarded to the student this term.

Z   **Not Applicable** - includes all Continuing Workforce Education.
