Element Name:	Dropout Prevention Length of Prescribed Program

Definition/Domain

The length (in school days) of the student's prescribed enrollment within each Dropout Prevention program at each school. In DJJ programs, the length of the prescribed program equals the length of adjudication. If a participant in a DJJ program is not adjudicated, then this data element does not apply. Also, code 000 for mentoring program participants and students in non-school institutions for neglected or delinquent students if there is no prescribed program length.

Example:

180   The student was placed in an Educational Alternatives program for the full school year (180 days).

090   The student was placed in a Teenage Parent program for the second semester (90 days).

014   The student was placed in a Disciplinary program for 14 days.

000   The student was committed to a Detention Facility, but not adjudicated, was a Mentoring Program Participant or student in a non-school institution for neglected or delinquent students and was not in a Dropout Prevention Program
