**Division of Career and Adult Education**  
**Rod Duckworth, Chancellor**

Each two-page report is designed to give an overview of the 47 technical centers/colleges in Florida that are currently accredited by the Council on Occupational Education. Using data reported by these institutions for 2013-2014, the Division of Career and Adult Education at the Florida Department of Education has created summaries which consist of eight sections.

### **1. General information**

This section includes general information pertaining to the institution, including but not limited to, website, address, director and campus locations.

### **2. Overall enrollment by type of program**

This section shows enrollment reported in Adult General Education (AGE), Applied Technology Diploma (ATD), Apprenticeship (APPR) and Career Certificate programs.

### **3. An at-a-glance summary of the information being provided**

- a. Overall enrollment (includes AGE, ATD, APPR, and Career Certificate)
- b. Largest AGE program based on reported enrollment
- c. Largest Career Cluster based on reported enrollment
- d. Total Literacy Completion Points reported at the institution

### **4. Adult General Education**

- a. Overall reported headcount of individual AGE programs offered at the institution
- b. Number of Literacy Completion Points reported for each AGE program offered at the institution

### **5. Career Certificate & ATD headcount in each of the following career clusters:**

- Agriculture, Food, and Natural Resources
- Architecture & Construction
- Arts, A/V Technology & Communication
- Business Management and Administration
- Education & Training
- Energy
- Finance
- Government & Public Administration
- Health Science
- Hospitality & Tourism
- Human Services
