Dear Potential Charter Applicant:

Thank you for expressing an interest in developing a charter school in Osceola County. Development of an application packet is somewhat involved, requiring the organizing group to respond to specific criteria.

I encourage you to avail yourself of the opportunity to receive technical assistance from the district by submitting a draft proposal for review prior to final submittal. In order to be reviewed, draft applications must be submitted prior to June 1, 2009. The final charter school application and required copies must be received in the Charter Schools and Educational Choices Department by 4:30 PM on August 1, 2009. Following the statutory application deadline of August 1, 2009, all applications received are considered final and no amendments or addendums may be submitted.

Upon completion of the application, please submit the original along with twenty (20) additional copies to the Charter Schools and Educational Choices Department, 817 Bill Beck Blvd., Kissimmee, Florida 34744.

If you have any further questions, please contact the Charter Schools and Educational Choices Department at 407-870-4847.

Very truly yours,

Dr. Sonia Vázquez Esposito  
Director of Charter Schools  
and Educational Choices
