

STUDENT DATA ELEMENTS

2025-26

Data Element Number: **126425**

Data Element Name: **Grade Promotion Status**

Grade promotion status is defined as the change in grade assignment at the end of a regular school year or summer session. For example, if a PK-12 student meets all criteria for advancement to the next highest grade in his or her current school at the end of the regular 180 day school year or the summer session, that student is considered to have been promoted. Conversely, any PK-12 student who has not met all criteria for advancement to the next highest grade should be considered as retained. Codes and definitions follow:

Code	Definition/Example
A	Promoted to a higher grade without meeting levels of performance for pupil progression based on meeting criteria for a good cause exemption or because of a prior retention in third grade.
D	Student with disabilities opted to remain in school, or a non-disabled student opted to remain in school for one additional year. *
N	Not enrolled in a KG-12 program in the district at the end of the school year. **
P	Academically promoted to a higher grade, graduated.
R	Retained in same grade at the end of the school year.
Z	Promotion status not applicable. Use this code for PK unless the PK student is promoted to kindergarten and for students in grades 30 and 31.

COMMENT:

Definitions are abbreviated on the permanent record. See Automated Student Permanent Record document.

* Use for additional years beyond graduation and completion year. The Individuals with Disabilities Education Act (IDEA) requires that districts must provide a free and appropriate education (FAPE) to all students who have not reached age 22 and who have not earned a regular high school diploma (34 CFR 300.101), or students who deferred receipt of the standard diploma per s. 1003.4282(10)(c), F.S. This requirement applies even if the student has received a special diploma. Additionally, districts may choose to continue to offer FAPE through the school year in which student turns 22. Section 1003.4282(6)(c), F.S. allows students to remain in high school either as a full-time student or a part time student for up to one additional year and receive special instruction to remedy his or her identified deficiencies.
